

# “Must-have” titles especially chosen for *Opposing Viewpoints Resource Center* subscribers!

Expand your collection with social issues titles from Greenhaven Press® and Lucent Books®

From alternative energy to cyberbullying, students are drawn to social issues. Social issues series from Greenhaven Press and Lucent Books offer balanced coverage, graphic appeal and backpack-friendly sizes that encourage students and other interested readers to delve deeper into today's hottest topics. Each volume delivers fact and opinion in the ideal combination to allow students to assess all viewpoints, think critically and form their own conclusions.

Use these accessible volumes to tie into coursework in history, physical sciences, social sciences, English and other disciplines. Each book presents an accurate representation of the differing views that shape today's scholarship and facilitate student success in preparing effective papers and presentations. Each of the following series delivers added facts and perspectives that can supplement the viewpoints found in *Opposing Viewpoints Resource Center*.

Select series are available by Standing Order. Standing Orders save time in the collection development process and stretch the budget by offering 25% off list price plus free shipping and handling. Customer satisfaction is paramount for Gale, so we offer the flexibility of starting or stopping a Standing Order at any time plus all our books come with a 100% guarantee.

## Social Issues in Literature from Greenhaven Press®

Many of literature's classics are tied to a significant social issue. This unique new series supports curriculum integration by navigating the intersection between literature and sociology. Following background information on the author, each volume offers critical perspectives on a major social issue presented in the work and explores the issue from a contemporary perspective.

## Issues on Trial from Greenhaven Press®

Issues such as abortion and the death penalty have been tested many times in the courts, providing a fascinating way to trace changing trends. Each volume captures the passion and depth of these debates, examining how the courts helped shape a particular issue. Primary sources include court rulings, dissenting opinions and analyses.

## Perspectives on Diseases and Disorders from Greenhaven Press®

### FULL-COLOR SERIES

Each volume provides information on a disease or disorder (symptoms, causes, treatments, cures); presents the controversies surrounding causes, alternative treatments, and other issues; and offers first-person narratives from people coping with the disease. The series supports debate assignments, develops critical thinking skills, and helps patients and families deal with a disease or disorder.

## Don't miss two new Greenhaven Press series available in early 2009!

### Constitutional Amendments: Beyond the Bill of Rights

**NEW SERIES** A well-rounded social studies education is grounded in an understanding of how the Constitution works. This new series reflects provisions in both national and state curriculum standards with coverage of amendments. Each volume begins with the amendment text (accompanied by a student-friendly translation). Chapters put the amendment in historical context, examine how it has been tested in the courts and presents current controversies.

### Global Viewpoints

**NEW SERIES** Primary sources, including speeches and government documents, join essays from international magazines and news sources for a panoramic view of issues of global significance. The material in each issue-focused volume (which does not duplicate any material in the *Opposing Viewpoints* series) is weighted to reflect the stances of countries other than the United States.
